JINMOOO

The JINMOOO collection features handcrafted wooden urns with sculptural forms and a clear sense of craftsmanship. Rosseland and ARK are designed as warm, natural memorial objects for the home.

Natural wood—and in some models, glass details—create a calm Nordic expression that lets memories have their place without dominating the room.

The models come in several sizes, and the expression is timeless and lasting, with a focus on quietness, closeness and respect.

PET FOR LIFE

The Pet For Life collection gathers urns with a sculptural, poetic expression—from the dark elegance of Noir to the soft lines of Lacrimosa and the celestial Celeste. Each form is made to give a dignified, lasting memory.

Materials range from ceramic and porcelain to marble and titanium alloy, with smooth surfaces and crafted details that make each piece a beautiful object in the home.

All models are intended for indoor placement, offering a quiet place for closeness, gratitude and memories that endure.

MEMORIAL CANDLES

Our memorial candles are more than just a candle. They are created to honour the bond between people and their pets — a beautiful way to remember.

Each candle is hand-poured in natural soy wax with botanical scents such as lavender and vanilla. Paw prints and personal messages add a unique touch.

Delivered in an elegant gift box, ready to give. Perfect for veterinary clinics, pet bereavement services and gift shops.
